

WE'LL GET YOU **BACK ON THE ROAD**

Reliable, high-quality, efficient, and affordable truck repair services in Ocala, FL.

Your truck is the key to earning income, providing for your family, and getting essential goods delivered across our country. You don't want it getting worked on by just any mechanic, and you don't want it taking any longer than it has to.

The mechanics of FX Truck Center are next-level. We're able to recruit the top talent in central Florida thanks to our state-of-the-art truck center, competitive pay packages, family atmosphere, and last but not least, our rare, air-conditioned and heated shop.

CAPABILITIES & DIFFERENTIATORS

Here are some examples of what we do, but we're a full service shop. **Nothing is outside of our reach.**

- Advanced diagnostics
- Experts in all aftertreatment systems
- Tire center with Hunter Road Force® Elite Wheel Balancer for superior vibration detection
- State-of-the-art Hunter Heavy-Duty Alignment System to provide precise alignment services for the heaviest vehicles
- Oil change pit
- Full body shop and 60-foot paint booth
- Metal fabrication & welding
- Transmission and engine swaps
- Full engine rebuilds
- 8 mechanic bays
- Climate-controlled shop
- 24/7 roadside service
- Road frontage to I-75
- Driver showers
- Driver lounge and fitness center
- Complimentary coffee, ice maker, and vending machines
- 100+ trailer parking spots for rent
- White-glove preventative maintenance for all trailer parking rentals
- World-class security; gated, electric fence, and security cameras

While your truck is being serviced in our state-of-the-art, climate-controlled shop, make yourself at home. Help yourself to some coffee or grab a snack out of the vending machines. Relax in the lounge or go for a workout in our fitness center – then, grab a shower afterward. Take care of yourself while our world-class mechanics take care of your truck.

THERE'S NOTHING WE CAN'T DO.
