## SECURITY

Have peace of mind that your trailer is secure. Our state-of-the-art terminal is gated and features an electric fence and security cameras.

## CONVENIENCE

Enjoy close access to I-75 and an option to choose 24/7 access. Plus, use our facility for a cup of hot coffee, a shower, or a workout in our fitness center.

## WHITE-GLOVE SERVICE

On a monthly basis, our mechanics will inspect your trailers for issues, such as flat tires, damaged mud flaps, and rust. They will also check your brakes, lights, and air lines for problems. Upon your approval, our experienced mechanics will complete any necessary repairs.
